# HELLO WELCOME

## WHO WE ARE?

**Anagnostopoulos Catering** has a long story of approx. 30 years ago ... and some years later it became a part of **Anagnostopoulos Events Group** companies along with our two venues Alsos Nimfon & Iokasti venue.

# OUR STORY

In 1995, Giorgos Anagnostopoulos along with his multi-talented wife Eleni, created Home Food Catering in Athens, as it was originally named. The main feature of our first catering was the homemade Greek flavors as well as the warm human communication.

In its long history, in addition to social events, Home Food Catering was chosen as the official caterer for many of the TV crews that made the shows, series and commercials that we grew up with.

In this form, it continued to evolve over the last 25 years, reaching its most mature phase in the last five years.

# OUR STORY

CONTINUES

**Today,**

Anagnostopoulos Catering, **has more than 1,300 events to its credit, and has offered its services to more than 480,000 people,** having a menu that exceeds **440 culinary options** that are constantly renewed and give unlimited freedom.

Anagnostopoulos Catering, together with the two specially designed event venues in the northern suburbs of Athens (Alsos Nimfon and Iokasti Venue), form the triptych of a holistic approach for successful, customized events.

\* In November 2019, two strategic partnerships were launched: the collaboration with the international companies Chakra Events and RWS London, raising the bar even more, in the destination event & wedding segment towards Athens, but also other popular Greek destinations.
